

MUSKOGEE GOLF CLUB

Presents:

THE 2018 HOLIDAY MEMBERSHIP PROMOTION

(Good for ALL Classifications)

Are you looking for that perfect gift for a significant other, or maybe just a great place to hang out with friends and family? Well this is a perfect time to do both! Starting NOW Muskogee Golf Club is offering membership options for you to join the club and pay no dues or initiation fees until 2019. That's right; we are waiving any initiation fees and dues in November and December so you won't pay a dime until January 2019.

If that's not enough recruit or sign up other friends and the sponsor receives up to a \$1,000 membership credit next Christmas!

Sponsors Credit: At the time of the agreement, each new member may designate one sponsor that will receive a credit equal to the amount of one month's dues for the new member category. The credit will be received December 1st, 2019.

Prior members: Resigned members may not be eligible for this promotion. Please contact Tony Collins, PGA for questions or concerns.

Early Termination: All membership agreements are one year in length and in the event that you resign your membership prior to the completion of the agreement, you understand that you will be subject to repay all discounted dues and fees along with a \$100.00 early termination fee. All dues and fees are subject to applicable taxes. Additionally, the new member will not be allowed to renew their membership for 365 days after termination.
