Terms and Conditions

1. Current Ownership. I understand that, as of the date of the submission of this Membership Agreement, the Club is owned by Muskogee Golf & Country Club, LLC, an Oklahoma limited liability company (the “**Company**”). The Company reserves the right to engage one or more professional management companies and other entities to operate the Club Facilities, as hereinafter defined, or any portion thereof.
2. Disclosure of Information and Condition of Membership. I understand, acknowledge and authorize the disclosure and release of information to the Club and the Company for the purpose of investigation of my qualifications for Club membership and authorize those persons or entities named herein as references to furnish personal and financial information about me. I further authorize the full disclosure and release of information to the Company and the Club regarding my law enforcement records and credit history. Membership in the Club is contingent upon approval by the Company, which approval shall be at the Company’s sole and absolute discretion.
3. Membership Provisions. I acknowledge receipt of, and agree by execution of this Membership Agreement, that upon the written acceptance by the Company of this Membership Agreement to be bound by the terms and conditions of the following: (i) this Membership Agreement, and (ii) the following as they may be amended from time to time at the sole and absolute discretion of the Company (collectively the “**Membership Provisions**”): (a) the Muskogee Golf & Country Club Membership Plan, (b) the Club Rules and Regulations, (c) the Club’s Schedule of Dues and Charges, and (d) such other policies and practices which may be implemented from time to time by the Company. I further acknowledge that membership in the Club is subject to suspension or termination for failure to abide by the terms and conditions contained in this Membership Agreement or any of the Membership Provisions.
4. Acknowledgement of New Club Rights and Obligations. I acknowledge and understand that the Company has acquired the Club Facilities but has no obligation for any duties, liabilities, obligations or requirements which may have been undertaken or owed by the prior owner or owners of the Club Facilities. I also acknowledge and understand that the Club is a newly formed organization created by the Company for the purposes of operating the Club on and in the Club Facilities as a golf club in the residential community located in Muskogee, Oklahoma known as “Muskogee Golf & Country Club” (the “**Community**”) and that the Club has no relationship or obligation related to any club formerly operated on or in the Club Facilities or within the Community (“**Previous Club**”) in which I held a membership (“**Prior Membership**”). I acknowledge and understand that I may apply for a category of membership in the Club which provides Club privileges as nearly equivalent to those of my Prior Membership and if I am accepted for membership in the Club, that the Company, upon compliance by me with the requirements for membership in such category and provided that such membership is available for issuance to me, may issue a Club membership to me in such category but is under no obligation to do so. If the Company does accommodate my request for membership in an equivalent category of Club membership, I understand and agree that such new Club membership may not include certain attributes or may have requirements that the Prior Membership did not include and will be fully subject to the Membership Provisions. I also understand that that I may be required to pay all or part of a new Initiation Fee or Membership Deposit even though I previously paid the prior owner or Previous Club all or part of an

initiation fee or membership deposit. I further understand and agree that the Company has no obligation to honor or liability for any prior initiation fee or membership deposit I paid to the prior owner of the Club Facilities or the Previous Club. If the Company should elect in its sole discretion to give me credit for an initiation fee or membership deposit I paid to the previous owner of the Club Facilities or Previous Club for use of the Club Facilities, the amount credited to any new Initiation Fee or Membership Deposit required by the Company for my membership in the Club will be subject to the Membership Provisions and treated as having been remitted on the date of acceptance by the Company of this Membership Agreement. I understand that I may apply for Club membership in another category of membership for which I am eligible and whose privileges are not equivalent to those of my Prior Membership.

5. Payment of Dues, Fees and Charges. I understand that I am responsible for the prompt payment of all deposits, fees and charges incurred in connection with my Club membership, including any fees or charges incurred by my spouse, my immediate family members and guests, and agree to pay such fees and charges in a timely manner upon billing. All dues, fees and charges are billed directly to me as the Club member. I understand that payment shall be due on the 1st of each month and that my Club account shall be considered delinquent if not paid within twenty (20) days after the date of the monthly statement or the date that any other amount is due the Club or Company and will be subject to the lesser of (i) a one and one-half percent (1.5%) late charge per month, or (ii) the maximum amount that may be contracted for, taken, reserved, charged, or received under applicable law. This late charge shall accrue on delinquent Club account balances beginning thirty (30) days from the date of the monthly statement reflecting such amount as being owed and until the delinquent amount is paid in full. A late charge which is collected and is in excess of the maximum amount allowed by law shall either be credited to your Club account or shall be refunded if no amount remains unpaid on your Club account. I acknowledge that the Club and the Company may take whatever action it deems necessary to effect collection of any delinquent balance in my Club account, including without limitation, suspension or termination of my Club membership or legal action, and I shall be liable for all costs and for any expenses of collection including, but not limited to, reasonable attorneys' fees, including any fees incurred in connection with appellate proceedings. By execution of this Membership Agreement, I unconditionally authorize the Club and the Company to charge any and all obligations incurred in connection with my Club membership against the credit card account described below and any and all substitute or additional credit card accounts noted in the Club's records as related to my Club membership or my Club account. Such charges specifically include but are not limited to dues, service charges, use fees, purchases of food, beverage and merchandise and any other amounts. I agree to keep a valid and current credit card account to which charges are authorized to be made on record with the Club at all times and to promptly take any and all other actions required to effect the provisions of this paragraph. In the event that my credit card account of record with the Club expires or is no longer valid, I further agree to immediately substitute a valid credit card account without any requirement for notice from the Club.

6. Terms: This agreement shall be for a term ending Month _____, Year _____ and automatically renew for one year, unless the Club or the Company receives a thirty (30) day notice prior to resigning.
